

Brexit – New Horizons or New Borders?

In our last online event of the year, a panel of experts discussed what we can expect from the Brexit process in the New Year.

The event also discussed the impact a potential no-deal Brexit could have on the UK and what our future trading relationships could look like.

The event was hosted by Dr Steven McCabe, Senior Fellow at the Centre for Brexit Studies, with contributions from four industry experts, followed by an audience Q&A.

Panel Members included Suren Thiru, Head of Economics at the British Chambers of Commerce, Professor Nicola McEwen, Professor of Territorial Politics at the University of Edinburgh and Co-Director of the Centre on Constitutional Change, Keith Stokes-Smith, Chairman of the Birmingham Commonwealth Association and David Hearne, Researcher at the Centre for Brexit Studies.
