

The Brexit Deal: Good News?

Two leading industry experts have come together to discuss the Brexit deal in detail, analyse what has ran smoothly so far, and what issues businesses are facing.

In the Centre for Brexit Studies latest podcast, Professor Alex de Ruyter, Director at the Centre for Brexit Studies, and Professor Anand Menon, Professor of European Politics and Foreign Affairs at King's College London and Director of the UK in a Changing Europe initiative, joined forces to discuss.

The experts discussed the deal that was secured between the UK and EU in late 2020, as well as what we can expect from the rest of the year, if businesses are being provided with the support that they need, as well as if we can expect a US-UK trade deal from the Biden administration.
